In this regard, Ukraine remains committed to implementing a comprehensive, fair and equitable restructuring of the GDP-linked Securities to ensure compliance with (i) debt targets set forth in Ukraine's IMF programme and (ii) the principle of comparability of treatment with Ukraine's bilateral partners.

Following 2 June 2025, the GDP-linked Securities will trade cumulative of any Payment Amount not paid on 2 June 2025 unless market participants expressly agree otherwise in relation to a specific trade.
